

## **Oxford Technology 4 VCT Plc – 3<sup>rd</sup> Quarter Results**

Oxford Technology 4 VCT Plc presents its quarterly update for the 3 month period commencing 1 September 2021.

The Directors have recently reviewed the valuation of its entire portfolio as at 30 November 2021. The unaudited net asset value per ordinary share as at 30 November 2021 was 41.7p. This represents an increase of 10.7p from the net asset value per ordinary share at 31 August 2021. This increase is mainly attributable to the rise in share price of Arecor Therapeutics Plc (230p to 380p).

The total return to shareholders including previous dividends of 48.0p per share is now 89.7p per share.

The total number of ordinary shares in issue is 11,516,946.

The Directors are not aware of any other events or transactions which have taken place between 30 November 2021 and the publication of this statement which have had a material effect on the financial position of the Company.
